Queanbeyan East Public School

Project update

February 2019

Investing in our schools

The NSW Government is spending \$6 billion over four years to deliver more than 170 new and upgraded schools to support communities across NSW. In addition a record \$847 million is being spent on school maintenance over four years. This is the biggest investment in public school infrastructure in the history of NSW.

Queanbeyan East Public School

A project is underway at Queanbeyan East Public School. The project will cater to current and projected growth in the area, and provide:

- 9 additional permanent classrooms
- An upgraded library
- A new covered outdoor learning area (COLA)
- A new canteen
- An upgrade to staff/administration facilities.

Progress summary

Construction work is underway and expected to be complete in late 2019.

Upcoming construction work

In early February the steel framework for the new building will be erected. This will involve a crane being brought onto the site.

Construction work will take place as per approved hours of between 7am and 6pm Monday to Friday and 8am to 4pm on Saturdays.

Keeping you updated

Regular updates about what to expect will be provided to the school and local community throughout construction.
