16 December 2019, Week 10, Term 4

Principal's Message

It was wonderful to have our students and community walk through the new learning centre last week. Students, in their class groups, have been exploring the new rooms further and will continue to do so for the remainder of the year. Before the first walk through with students, we were fortunate to have Aunty Matilda conduct a welcome to country which included a water ceremony. This was an amazing experience for our students and one that they are sure to remember.

The official opening of the new building will take place on the first day back to school next year, 29 January 2020. Exact details have not been confirmed, as soon as they are we will send out information to all families so that you are well informed.

Congratulations to all recipients of awards at our annual presentation assembly. We have had so many wonderful achievements this year. And congratulations to our newly elected school leaders. I am sure that you will do an amazing job in 2020.

Queanbeyan-Palerang School Christmas Food Drive

Thank you to everyone who donated food items last week. Your donations were warmly received and will help assist people in need over the holiday period.

Riverside Plaza Christmas Tree Competition

If you have not been already, head on down to Riverside Plaza to check out Queanbeyan East's fantastic Christmas Tree! Our students worked hard to make some beautiful decorations that celebrate Australia's flora and fauna. It is also a special tribute to all of the wildlife, especially the hundreds of

koalas, that have been lost or injured in the bushfires.
