### Principal's Message

Somehow, amongst all of this lovely rain we managed to get our swimming carnival in. And, what a great day it was. The students really enjoyed competing and cheering on their friends. Thank you to all of the staff for organising such a great day and our fabulous students for being so exceptionally well behaved. I would also like to thank the students from Queanbeyan High School who came along to the event to help out.

This week, our P&C met for the first meeting of the new year. It was great to see such a big turn out and welcome some new parents. I would strongly encourage you to attend future meetings, the P&C is a fantastic way to be involved in the school.

School hats have arrived at the office this week. Students are reminded that our school has a school uniform that includes hats.

Recently, there have been a number of very close calls in the staff carpark, because parents are choosing to use this gate to walk into the school with their children. The carpark entry is not appropriate for parents or students to be using while entering the school. There are a number of other gates that can be used in the morning. This is particularly important for those dropping their children off at our before and after school program.
