If your child will require medication while at camp, please complete the Permission to Administer form that you received via email and return it to school ASAP.

Payment:

The total cost for camp is \$420. Thank you to families that have already paid.

A reminder that final payment for camp is due by **Friday 4 November**.

Departure:

All students will need to arrive at school **between 6:15am and 6:30am** on Wednesday 16 November. Students will need to find their class teacher and have their name marked off when they arrive. Due to our schedule at camp, we will need to depart promptly so please ensure your child is at school by 6:30am.

Arrival:

Our estimated arrival time back at school on Friday 18 November is 5:30pm. Teachers will use ClassDojo and Sentral messaging to update parents on the day.

Medication:

Any medication that is required to be administered at camp must be handed to teachers on the morning of departure. **This medication must be in the original packaging with the prescription label with dosage instructions on it, sealed in a zip lock bag with your child's name clearly labelled on it. Students are not permitted to keep medication in their personal bags during camp.**

What to Pack:

All students will be required to carry and transport their own bags during camp. To make the experience easier for your child, please pack all student belongings into ONE bag they can carry/pull by themselves. Please ensure every item being packed for camp is clearly labelled with your child's name. Please ensure you pack enough sets of clothes for 4 days. This will allow for spare clothes if students get wet.
