## Proposed Polar Fleece Jumper – Feedback Request

Dear Parents,

As you are aware, the QEPS P&C in conjunction with school representatives have been reviewing the current uniform. The criteria used to select future uniform was determined as being:

- Price
- Availability
- Fabric
- Appearance
- Inclusivity

To maintain availability and to reduce the cost of uniforms, the school will sell all uniform items. From 16 December 2021, there will be a transition period of 3 years to integrate the new school uniform. During this period, students can wear either the existing or new uniform.

After feedback and consultation from the community, we have been able to source a polar fleece jumper very similar to our existing one. Attached is a description of both polar fleece jumper options for your consideration.

We are now asking for your feedback via the link below. Please provide your feedback **by Friday 11 February 2022**.

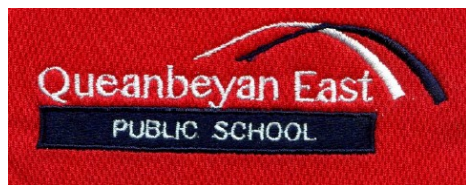

<https://forms.office.com/Pages/ResponsePage.aspx?id=muagBYpBwUecJZOHJhv5kSqBtb0nPEpBgrqGaEhJkpUNTZRu09INk43T0dFTkRKWIBGRTk2OEVTRS4u>

We will wait to see community feedback before any final decisions are made.

Thank you.

Danny Scott  
Principal

**Embroidery for jumpers will be reversed to red (as per the polo dress).**

**Fabric:** Polar Fleece (300g - 100% Polyester)

**Sizes:** 4-2XL

With a focus on flexibility and comfort, the Hinkler Polar Fleece provides easy all-day warmth with a casual, half-zip pullover style. Made from anti pill polar fleece, it features top stitched active panels for shape, structure and ease of movement. A front half-zip provides temperature control and concealed vertical zip pockets offer ample storage for whatever you'd like to carry. Elastic cuffs and hip-length hem lines help keep the cold out, while the soft feel anti pill polar fleece will stay snugly season after season.

Price: \$28

**Fabric:** Polar Fleece (100% Polyester)

**Sizes:** 4-5XL

With a focus on flexibility and comfort, the Trutex Polar Fleece provides easy all-day warmth with a casual, half-zip pullover style. Made from anti pill polar fleece, it features red top stitched active panels (with white piping) for shape, structure and ease of movement. A front half-zip (navy not red) provides temperature control and concealed vertical zip pockets (navy not red) offer ample storage for whatever you'd like to carry. Elastic cuffs and hip-length hem lines help keep the cold out, while the soft feel anti pill polar fleece will stay snugly season after season.

Price: \$45
